**MEMBERSHIP INFORMATION**

**ACTIVE MEMBERSHIP-** In order to be eligible for active membership a person must (1) have a degree in geology or one of the earth sciences and be directly engaged in the application of Geology, or (2) presently engaged in or have been engaged in the application of geology or one of the earth sciences for the preceding five years. Any retired person qualified for active membership before retirement shall also qualify for active membership.

**ASSOCIATE MEMBERSHIP-** In order to be eligible for associate membership a person must be actively engaged in the geological or earth science work. An associate member shall not be eligible to vote or to hold selective office, but shall have all other rights and privileges enjoyed by active members. Associate members who attain eligibility for active membership may apply for transfer to active membership.

**STUDENT MEMBERSHIP-** Student membership shall be limited to those students who have completed two years of college and who are enrolled in geology or a related earth science in a recognized college or university granting degrees in earth sciences. A student member shall not be eligible to vote or to hold office, but shall have all other rights and privileges enjoyed by active members. Students have access to electronic bulletins only.
